Dear Executive Director Tait,

Please allow this letter to serve as the notice of intent pursuant to Indiana Code § 4-3324-16 of Fanamana Inc. to submit an application to conduct paid fantasy sports in Indiana. This notice of intent will allow Fanamana Inc. to operate in Indiana during the application period as it was in operation in Indiana on March 31, 2016. Fanamana Inc. understands that by applying to be an operator in Indiana it is obligated to comply with statutes, administrative rules, emergency rules, and directives as proscribed by the Indiana Gaming Commission ("Commission"). We understand that any company offering paid fantasy sports in Indiana that does not file an application by the established deadline will no longer be authorized to lawfully conduct the activity pursuant to Indiana Code § 4-33-24.

The Commission's point of contact for the application process is as follows:

Our system has been audited by an independent 3rd party and we are confident that Indiana residents that chose to play our games are protected from unfair and deceptive acts or practices. However, if the one-time entry fee of \$50,000 as part of the initial application and a subsequent \$5,000 fee to renew the license annually is not waived or greatly reduced for small operators, we do not plan on following through with the application. Rather we will restrict all paid contests to players located in Indiana.

We look forward to working with your office and appreciate your leadership on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Cook".
